

SPECIFICATIONS

Lake County is seeking quotes for the purchase of one (1) full sized half (1/2) ton 4x4 pickup truck for the Lake County Parks and Trails Division.

The quote and vehicle offered shall comply with these specifications. The bidder shall identify below if it is compliant, not compliant, or if there are any exceptions from the requirements of the specifications. All exceptions shall be of equal or greater precision equipment. The County shall determine equivalency. If taking exceptions, indicate so in the column below and note those exceptions on company letter head, along with any additional materials referencing the proposed alternate product, and **submit with your quote**. Also submit technical specifications for the proposed equipment.

The vehicle offered shall be the manufacturer's standard equipment with no alterations. The County will not lease or purchase altered vehicles or custom designed vehicles unless expressly provided for in this proposal document. Vehicle shall be a 2016 model unless otherwise specified. The vehicle must be new and unused in current production. Used, demonstrator, prototype or discontinued models are not acceptable. The vehicle shall be the manufacturer's standard and be equipped with the manufacturer's standard equipment and accessories which are included as standard in the published specifications for the unit. No such item of equipment shall be removed or omitted for reason that it was not specified in the bid. Any accessories not specifically mentioned herein but necessary to furnish a complete engineered unit ready for use, shall be included.

The vehicle shall be manufactured so as to be in strict conformance to all standards applied by any Federal or State regulations. Lights, brakes and all other devices, shall be in accordance with industry standards and established safety requirements as well as those safety and highway standards required by Local, State and Federal regulations, specifically including those of the US Department of Transportation.
